On Thursday some year 6 children went to the Brunel book club launch at Brunel University. They listened to a book talk by author, Jennifer Killick and later had the opportunity to have photographs and a book signing with her. Our children were invited to this special event to help develop their love of reading and will attend six further workshops with Brunel University.

Another fantastic class assembly took place on Friday with 1AK presenting their learning in Geography so far this year. We hope that those who were able to come along enjoyed it as much as we did. A big thank you to everyone who helped them and well done to the children who worked hard to share their new knowledge with you.

Next week is playground games week. Staff will be helping the children learn how to play "old fashioned" playground games during break and lunch time. We cannot wait to see what games are demonstrated and the children's reactions! We might even get to see some of the staff skipping!

Good luck to the Laurel Lane Choir who are performing at the Beck Theatre next Tuesday. They have been practising very hard, perfecting their performance. Thank you to everyone for their support.

Don't forget to bring in your decorated eggs into school next Tuesday, ready for judging on Wednesday. We have been asked if the children can decorate polystyrene eggs and the answer is yes they can. If you are going to use a real egg, please make sure it is hard boiled before you start decorating!

Reminder – School closes at 2pm on Thursday 28th March. We return on Tuesday 16th April
