## How to Contact us

In person: School office – open 8.15am to 4pm Monday to Friday

By phone: 01895 462360

Summer has arrived with a bang - at least for a few days. Please ensure your child has a water bottle with their name clearly marked on it. We would also recommend that you apply sunscreen before school. If your child suffers with hay fever, we would also recommend that you give them an antihistamine before school so that they are not suffering too much during the day.

Thank you to the parents who were able to come along to our attendance coffee morning. We hope that you received lots of information about how to improve your child's attendance and are now able to understand the laws put in place by the Government and the local borough, which the school are obligated to adhere to. Thank you to The Pantry for providing the delicious cake.

On Tuesday, Year 5 visited Brunel University to get a taste of student life and what it is like to study at university. We hope that this has inspired the children to work hard to achieve the results that they need to get a place at Brunel or any other university of their choice. The staff there noted how well behaved the pupils were so well done Year 5!

Please remember that the school will be closed on Monday 5<sup>th</sup> May for the early May bank holiday. We will return to school on Tuesday 6<sup>th</sup> May and will be hosting another attendance coffee session on Tuesday afternoon. Parents and carers are welcome to come along at 2pm to meet with Sally Edwards, Attendance Support Officer for Hillingdon Council and discuss attendance matters, holiday penalty fines, and much more.

Have a lovely bank holiday weekend in the sunshine!

Dear Parents/ Carers

We are becoming increasingly more aware of incidents that are occurring outside of school hours, which involves children communicating with one another via snapchat and WhatsApp, using inappropriate and unkind language.

### Five rules to teach your child for positive group chat experiences

To address this, Key Stage 2 will be attending an assembly which will focus on remaining safe whilst communicating online.

We will be sharing these 5 rules with the children, which would we would like parents to also discuss with your child/ren at home to emphasise the importance of the topic.

If you have any questions, please do ask.

## Online Parenting Support

We understand that getting support as a working parent to young children can be challenging. That's why the Hillingdon Family Hub Network has created an online parenting offer specifically designed to support working parents. Workshops and courses are available both during the day and in the evening and delivered by qualified early years staff in an engaging and non-judgemental manner.

Our workshops cover essential topics such as:

- Fussy Eating
- Toilet Training
- Behaviour Strategies
- Support for parents transitioning their children into childcare and/or school

Additionally, we offer two comprehensive online parenting courses:

- Exploring Parenting Together - A fun five-week course designed to help parents improve their relationship and behaviour with their children.
- Ducklings - A four-week course aimed at supporting parents who have a child newly diagnosed with autism spectrum condition or who is awaiting an assessment with the Child Development Centre.
