How to Contact us

In person: School office – open 8.15am to 4pm Monday to Friday

By phone: 01895 462360

Thank you to the parents who came to our coffee afternoon on Tuesday. We hope that you received lots of information about how to improve your child's attendance and are now able to understand the laws put in place by the Government and the local borough, which the school are obligated to adhere to. Thank you to The Pantry for providing the delicious cake.

On Thursday, we celebrated V.E Day. Children came to school dressed for the occasion and enjoyed a small party in their classroom. They looked fantastic in their costumes and had a great time whilst learning all about V.E Day. Lots of classes created artwork to mark the event- they all had a lovely day!

On Friday, we opened the school for parents to "Come Read With Us". We hope that those who were able to come along enjoyed reading with their child and are pleased with their progress. If you have any questions about your child's reading abilities, please speak with their class teacher.

Next week is SATS week for Year 6 children. In order to ensure that the children are in school in good time and their hunger satisfied before the days starts, we are offering a light breakfast from 8.15am.

On Thursday afternoon, when all tests are finished, the children can relax in a fun pyjama party. Please send them in with pyjamas to change into for the afternoon.

If you or your child have any concerns, please contact the school as soon as possible. Good Luck to all of Year 6. You will do amazing and we are very proud of you.

Safeguarding information:

Dear parent/carers,

As all parents/carers are aware, your child/ren's attendance is vital in ensuring that they thrive and meet their potential. Children who are persistently late or absent soon fall behind with their learning. Children who are absent from school frequently develop gaps in their learning which will impact on their progress and their ability to meet age related learning expectations. A child whose attendance drops to 90% each year will, over their time at primary school, have missed two whole terms of learning. **We regard 96% attendance as the expected level.**

If your child is unable to attend school, please can we kindly ask that all parents/carers notify the school of the reason for the absence each day by 8:45am or as soon as practically possible. In situations, where we have not received communication regarding your child/ren's absence for a number of days, a home visit will be completed.

If you would like further support regarding your child/ren's attendance or would like to discuss the option of them attending breakfast club to improve their attendance and punctuality, please do speak to a member of staff.

Online Parenting Support

We understand that getting support as a working parent to young children can be challenging. That's why the Hillingdon Family Hub Network has created an online parenting offer specifically designed to support working parents. Workshops and courses are available both during the day and in the evening and delivered by qualified early years staff in an engaging and non-judgemental manner.

Our workshops cover essential topics such as:

- Fussy Eating
- Toilet Training
- Behaviour Strategies
- Support for parents transitioning their children into childcare and/or school

Additionally, we offer two comprehensive online parenting courses:

- Exploring Parenting Together - A fun five-week course designed to help parents improve their relationship and behaviour with their children.
- Ducklings - A four-week course aimed at supporting parents who have a child newly diagnosed with autism spectrum condition or who is awaiting an assessment with the Child Development Centre.
