This week was Neurodiversity Celebration Week. This worldwide initiative challenges stereotypes and misconceptions about neurological differences such as autism, ADHD, dyslexia, dyspraxia and others, which are natural variations of the human experience. Embracing neurodiversity means valuing and respecting these differences.

Well done to class 4AM who presented their class assembly on Thursday about the digestive system. We hope that you enjoyed watching their performance. 4TS presented their class assembly on Friday about the Victorians. It was great seeing what clothes they could make out of what they had at home and the performance was fantastic. Well done 4TS.

On Friday we celebrated “Red Nose Day”. Children and staff came to school dressed in red clothing so the school was very bright and cheerful. Red Nose Day has been running since 1988 and on the first even, they raised over 15 million pounds. As of 2024 over 40 million pounds has been raised. We hope that by your kind donations, we can also make a generous contribution this year.

Thank you to the parents/carers who came to our “come and read with us” session on Friday. We hope that you enjoyed reading with your children.

Class photo proofs were sent home with your child this week – please check their school bag if you have not received yours. A reminder that the deadline to order for free delivery to the school is on Friday 31st March. After this date you will need to pay for postage and packaging to your home.

A reminder that we are now taking bookings for the Mother’s day Breakfast at Laurel Lane on Friday 28th March. If you have not yet signed up, please pop along to the school office to put your name on the list. The cost is £6.00 per family. We will be closing the list early next week so please sign up as soon as possible.

On Friday 14th March we posted a medical questionnaire via a link on ClassDojo about any allergies or medical conditions that your child has. Even if you have informed us of any issues before, could you please complete the form as soon as possible so that we have the most up to date information. If you need help completing the form or would prefer to receive it in paper format, please ask at the school office.
