How to Contact us

In person: School office – open 8.15am to 4pm Monday to Friday

By phone: 01895 462360

Welcome back to school. We hope that you had a peaceful and enjoyable Easter break. We were very lucky to receive good weather during the first week and hope that you were able to get outside and enjoy it whilst it lasted! Next week the forecast is showing warm and sunny weather, which is lovely, but can also affect those who suffer with hay fever. For those pupils who do suffer, please make sure that they take their antihistamine medication before school so that they are comfortable.

There is lots going on in May so please see the “dates for your diary” below so that you do not miss anything.

Our after school clubs begin again from Monday with new sports clubs being offered. A message was sent via ClassDojo on Thursday with details. If your child would like to join one of the clubs, please contact Mrs Knight at the school office or send an email to mknight@fraysacademytrust.org.

A reminder that next Tuesday, 29th April, we will be holding a coffee morning about the importance of your child's attendance at school. All parents/carers are invited to join us from 9.30am.

Have a wonderful weekend.

Can all parents/carers who have not yet completed the medical questionnaire that has been sent on class dojo, email and paper copies, please do so as soon as possible. Even if your child does not have any medical issues or special dietary requirements, we need confirmation of this. Thank you.

Squid Game Advice

We have been made aware of children discussing 'Squid Game'. You may have heard of the programme, which has become popular recently on Netflix. It is rated 15 due to its violent nature and sexual content. Children may have also seen parts of the programme recreated as challenges on social media, for example on TikTok, or they may have seen or played an online game that is based on it.

What should parents do?

-It might be tempting to, but do not directly raise Squid Game with your child – they might be unaware of it, and mentioning it could make them more likely to seek it out.

-Do let your child know they can talk to you about anything they see online that they find upsetting. If you hear them talking about Squid Game or if they mention it to you, talk to them about how the show is not meant for young children. For more pointers on talking to your child about online safety, see this page on the NSPCC website: <https://www.nspcc.org.uk/keeping-children-safe/online-safety/talkingchild-online-safety/>.

-We would encourage you to take this opportunity to check your Netflix settings for your child's profile. You can set maturity ratings so that your child only sees TV shows and films that have a rating suitable for their age.

To do this: From a web browser, go to your account page Open the 'Profile and Parental Controls' settings for the profile you want to manage Change the 'Viewing Restrictions' setting Enter your Netflix password Set the maturity rating level for the TV shows and films you want to allow in that profile Select 'Save' You'll need to have set up a profile for your child in your account to do this.

If you would like to discuss this further, or would like additional support, please ask to speak to a member of the safeguarding team.
