Safeguarding Information

Safeguarding Team:

Miss Attwood, Mrs Moffatt, Mrs Rowden & Mrs Keenan

This weekend we are aware that many of you may be celebrating bonfire night with firework displays. Although this is an exciting event, it also presents with numerous risks and dangerous. Below are some safety guidelines that have been shared by London Fire Brigade.

Planning

- If you're having your own fireworks display, plan your firework display to make it safe and enjoyable, and ensure it finishes before 11pm.
- Only buy fireworks which carry the CE or UKCA mark, keep them in a closed box and use them one at a time.
- Build your bonfire clear of buildings, sheds, fences and hedges.
- Always keep a bucket of water or a hosepipe nearby in case of emergency.

Using the fireworks

- Read and follow the instructions on each firework using a torch if necessary, not a match or candle.
- Light the firework at arm's length with a taper and stand well back.
- Keep naked flames, including cigarettes, away from fireworks.
- Never return to a firework once it has been lit.
- Don't put fireworks in pockets and never throw them.
- Direct any rocket fireworks well away from spectators.
- Never use paraffin or petrol on a bonfire.
