

Laurel Lane Primary School

Friday 12th December 2025

Next week's Lunch Menu:

Week 3

Headteacher: Mrs N Moffatt
Safeguarding Lead: Miss E Attwood

Key Information

The children have had another busy and exciting week at Laurel Lane. A huge well done to Years 2-6, who performed their Christmas songs to parents and carers with great confidence and enthusiasm. The hall was filled with festive cheer as the children sang beautifully, showcasing all the hard work they have put into rehearsing. Several pupils also shared their musical talents by playing instruments, adding a special touch to the performances. Across the school, children took part in DT lessons where they cooked and created a variety of delicious items, including smoothies, wraps and pizzas. Year 6 took their skills even further by preparing an impressive three-course meal from scratch. The children were incredibly proud of their creations and enjoyed learning new skills along the way. Perhaps they can share some of their recipes with you at home so you can try making them together.

HAF Programme

The HAF programme will be continuing during the Christmas holidays and is open to school-aged children who receive benefits-related free school meals. These are day sessions run by the local authority, which enable the children to participate in activities and receive a meal. For further information and to book a place for your child/ren, please follow the link: <https://www.hillingdon.gov.uk/haf-programme>.

If you would like to check whether your child is eligible for pupil premium funding, please speak to a member of the office staff, who will be able to support you with the process.

Missed their school flu vaccination?

There's still time to protect your child this winter

Flu cases are rising locally and can be more serious during this cold weather. The NHS is reminding parents that the free NHS flu vaccine is still available to school-aged children.

Flu is often unpleasant illness for children but it can also have much more serious symptoms such as high fever, coughs, aches, and in some cases complications like pneumonia or ear infections. Children do not build up natural immunity to flu and the viruses change every year, which is why children need one every year. The nasal spray vaccination is the safe and effective way to ensure they have the protection they need.

Vaccination doesn't just protect your child - it helps keep the whole community safe. By being vaccinated, children are less likely to pass flu on to those who are more likely to become seriously ill from the virus.

There will be another opportunity for your child to have their vaccination at school, so look out for their consent form. If they do miss out, you can book a catch-up at:
www.schoolvaccination.uk/catch-up-clinics

Other groups are eligible too, including people over 65 and those with certain health conditions. To find out more you can visit: www.nwlondonicb.nhs.uk/fluCOVID

If you have any questions or concerns, talk to your GP or local pharmacist.
