Next week's Lunch Menu:

Week 1

Headteacher: Mrs N Moffatt
Safeguarding Lead: Miss E Attwood

Key Information

As we come to the end of the Autumn term, it has been an extremely busy and exciting time for everyone. We are incredibly proud of all the children and the hard work, effort and enthusiasm they have shown since September. This final week has been particularly busy, with wonderful concerts, a fun school disco and enjoyable class parties taking place. The children have embraced every activity with smiles and great energy. We were also very lucky to receive a special visit from Father Christmas, which brought lots of excitement and joy. To those who are celebrating, we wish you a very Merry Christmas and a Happy New Year. To all of our families, we hope you enjoy a relaxing and happy break spent with friends and loved ones. We look forward to welcoming everyone back to school on Monday 6th January.

From all of the Laurel Lane Team :)

Dear Parent,

We hope this message finds you well.

Hillingdon Children's Services are currently undergoing an exciting transformation, guided by new national direction from the Family First Partnership Programme (FFP). This initiative is designed to reshape how we provide help, support, and protection—ensuring that every family receives the right support at the right time. A key focus is on early intervention, helping families before challenges escalate into crisis.

As part of this transformation, we are committed to working with families—not just for them. That's why we're reaching out to parents and carers who have previously worked with Stronger Families key workers or Children's Social Care social workers. Your insights are incredibly valuable in helping us understand what has worked well and where we can improve.

You can choose how you'd like to take part—whether through a one-off phone call or by joining our Parent Consultation Group, led by Helen Smith, Head of Transformation for Social Care Delivery. This group will provide a safe and welcoming space to share your experiences and help shape future services.

Key points about the group:

- A safe, inclusive, and respectful environment for open discussion.
- Honest and transparent communication to ensure you feel comfortable sharing your views.
- Meetings arranged at convenient times, with options to join in person (likely at Uxbridge Family Hub) or online via Microsoft Teams.
- A two-way process where you will be encouraged to actively participate and influence planning and decision-making.
- Your personal and individual feedback will directly improve service development levels.
- Timely updates will be sent on the outcomes of consultations, including how your views have been considered.
- Participation is entirely voluntary—you decide how much or how little you would like to be involved.
- The group will focus on identifying themes for service improvement, rather than commenting on individual staff members.

If you're interested or would like to find out more, please contact Helen Smith by email at hsmith@hillington.gov.uk or by phone on 07595 288063.

Thank you for considering this opportunity to help us make a difference—together.

Warm regards,
Helen Smith
