

Laurel Lane Primary School

Friday 23rd January 2026

Next week's Lunch Menu:

Week 1

Headteacher: Mrs N Moffatt
Safeguarding Lead: Miss E Attwood

Key Information

It has been another busy week at Laurel Lane and the children have been working hard and enjoying their learning across the school. We are always keen to enrich the curriculum and plan lots of exciting trips and workshops for the children throughout the year. These experiences help to bring learning to life and create memorable opportunities beyond the classroom. Last week, Year 1 were delighted to welcome a visit from the Toy Museum. The children had the opportunity to explore and play with a range of new toys as well as toys from the past. This week, Year 2 visited the Science Museum and represented the school exceptionally well. Despite the very wet weather, the children behaved beautifully and showed great enthusiasm throughout the trip. If you are ever unsure about any trips your child is taking part in, please speak to your child's class teacher. From all of the Laurel Lane Team :-)

Chatbots

As a school we are becoming increasingly more aware of children engaging with 'chatbots'. Chatbots are computer programs that can "talk" to users by answering questions or holding conversations. They are now built into many websites, apps and games that children may access at home, including Snapchat, WhatsApp, Facebook and Instagram. While some chatbots are designed to be helpful, they are not always safe or suitable for children.

Potential risks include:

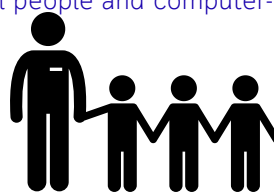

- Inappropriate responses: Chatbots may generate language or topics that are not suitable for children
- Misinformation: Chatbots do not always provide correct answers and may present false information as fact
- Privacy concerns: Children may be encouraged to share personal details without realising the risks
- Lack of understanding: Chatbots cannot recognise emotions or know when a child is confused, worried or unsafe

In school, we teach pupils to:

- Never use chatbots without adult permission
- Avoid sharing personal information online
- Speak to a trusted adult if something online makes them feel uncomfortable or confused

We ask parents and carers to help by:

- Checking which apps and websites your child uses
- Supervising online activity and using parental controls
- Talking to children about the difference between real people and computer-generated responses

TRIPLE P SEMINAR

5-11 years olds

Helping children develop healthy screentime habits

This seminar provides an overview of how screen time problems develop and offers strategies for parents to encourage healthy habits, manage conflict, and keep children safe online. This seminar will explore:

- **Understanding the problem:** How do parents recognise when screen time becomes a problem and how can they adapt this to the role of screens in modern life.
- **Strategies for healthy habits:** To provide parents with simple, positive strategies to encourage healthy screen use.
- **Conflict management:** Offers tips for managing disagreements related to screen time.
- **Online safety:** Help parents with strategies on how to keep their children safe online.
- **Balanced approach:** The seminar also acknowledges that screen time can be beneficial for entertainment, relaxation, education and aims to help families find the right balance.

TRIPLE P SEMINAR

5-11 years olds

Want to strengthen family routines and encourage positive behaviour? Whether you're navigating bedtime struggles, mealtime challenges, or simply looking for ways to nurture your child's development, positive parenting can help.

Discover effective strategies to help create a happy environment for your family, making parenting a little easier and a lot more rewarding.

Triple P (Positive Parenting Programme) is an approach to raising children that aims to promote children's development and manage children's behaviour in a constructive and non-hurtful way.

It is based on the use of good communication and positive attention to help children develop. This seminar will enable you to learn more about positive parenting and how you can apply it to your family.
