A Message from Mrs Moffatt

This week, we have reminded children of the key elements of our Behaviour Curriculum, including what it means to be ready to learn in lessons, how we use wonderful walking when moving around the school and how we play safely, respectfully and inclusively in the playground. We have revisited our school rules and expectations, discussed why they are important, and celebrated the many children who consistently demonstrate positive behaviour and make good choices. Please take some time to talk to your child about our behaviour expectations and school rules so that these messages can be reinforced at home as well. Please also see the key dates below for our upcoming Christmas events and performances. We look forward to sharing these special celebrations with you and your family over the coming weeks.

Safeguarding

Laurel Lane's Safeguarding Team: Miss Walton, Mrs Moffatt, Miss Attwood and Mrs Rowden.

Teaching Children About Consent and Personal Boundaries

At Laurel Lane, children learn about consent, personal space and body boundaries. They are taught that their body belongs to them, that they should respect other people's boundaries, and that they should tell a trusted adult if someone touches them without permission, tries to touch them in a way that makes them uncomfortable, or shows them private parts of their body. These important lessons help children recognise unsafe situations and know how to seek help when they need it. Working together, we can help children understand that everyone has the right to feel safe, respected and listened to.

Top 3 Tips for Families

✅ Use simple, clear language when talking about body boundaries and remind children that they can always say "no" to unwanted touch.

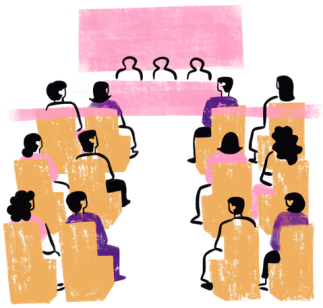

✅ Practise a safety plan: Encourage children to move away, say "stop", and tell a trusted adult if someone makes them feel uncomfortable.

✅ Keep communication open: Regularly ask your child about their day, friendships and worries so they feel confident talking to you about anything that concerns them.
