A Message from Mrs Moffatt

As we move into the colder winter months, it is more important than ever that children attend school regularly. We understand that coughs, colds and other seasonal illnesses are common at this time of year. However, where children are well enough to attend school, we encourage families to send them in so they do not miss valuable learning opportunities.

Good attendance helps children keep up with their learning, maintain friendships and feel part of the school community. If you are unsure whether your child is well enough to attend school, please contact the school office for advice.

Thank you for your continued support in helping every child achieve the best possible attendance.

Safeguarding

Laurel Lane's Safeguarding Team: Miss Walton, Mrs Moffatt, Miss Attwood and Mrs Rowden.

Grand Theft Auto (GTA) and Online Safety

Grand Theft Auto (GTA) is an adult-rated video game series designed for players aged 18 and over. The games contain frequent violence, criminal activity, strong language, drug use, sexual content, and themes that are not appropriate for primary-aged children. Online versions of the game also allow players to interact with strangers, exposing children to unmoderated conversations, inappropriate language and potentially harmful content.

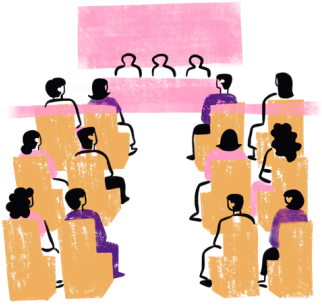

At school, we recognise that allowing a child to access games that are clearly age-restricted can place them at risk of exposure to harmful or distressing material.
For this reason, where a child reports playing GTA or other adult-rated games, this may be considered a safeguarding concern and will be treated as such. Staff may speak with parents or carers to ensure they are aware of the game's content and to support safer choices around online activity.

We encourage families to check age ratings, use parental controls, and ensure children only access games that are suitable for their age and stage of development. The age rating for GTA is PEGI 18, meaning it is not suitable for children under 18 years old.

Calling young Londoners - help us name London's new baby beavers

We're working with partners Ealing Beaver Project and Citizen Zoo to ask young Londoners to help us name London's newest and cutest residents.

The Mayor helped to reintroduce these beavers back to the city and the birth of these new kits is wonderful sign that the beaver family is thriving in our city.

Get creative and submit your best name suggestions by **Monday 7 December 2026:**
https://form.jotform.com/262634005073045

Submissions can either come from individual young people, or you can work together as a class to submit a suggestion together.

Holiday Activity & Food (HAF) Programme

The HAF Programme is open to school-aged children (reception to year 11) who receive benefits-related free school meals. Through our programme of healthy food and fun activities, children and young people can develop new skills, take part in creative and physical activities, learn about food and cooking and enjoy free nutritious meals each day.
Keep your eye out for the winter offer, which will be released in the coming weeks. Visit www.hillingdon.gov.uk/haf-parents for more information.

WE'RE HERE TO HELP

Toileting support for children with SEND

Some children with special educational needs and disabilities (SEND) need extra help with toileting. You are not alone.

LET'S WORK TOGETHER

Talk to us about your child's needs, routines and what helps at home. Together, we can agree appropriate support and a personal care plan.

SUPPORT WITH CARE

- Respect for privacy and dignity
- Calm, sensitive encouragement
- Support to build independence
- Safe hygiene and safeguarding practices

DOES YOUR CHILD NEED HELP?

Please speak to your child's class teacher, **Mrs Rowden,** or contact the school office to discuss toileting support in confidence.

Every child develops at their own pace.

Helping your child feel comfortable, confident and included.
