Executive Head teacher – Mr C Cole

Next week is menu week 2

Head of school – Mrs S Voisey

A big welcome to Mr Jackson, aka "The Gruffalo", who started with us on Monday as our new premises manager.

Thank you to everyone who was able to come along to our Parent consultation meetings. We hope that you found the meeting informative. If you have been unable to attend but would like to meet with your child's teacher, please contact the school office who will help arrange an appointment for you.

We hope that 3LW enjoyed their trip to the Science Museum. Thank you to the children for being so well behaved on their trip and thank you to all of the staff who went along with them.

We still have spaces in our after school club for dance, years 3-6 on Wednesdays but all other clubs are now full. Children who did not get a place in a club this term will be given priority next term but in order to allocate places in good time, we need your reply slips as soon as possible.

A polite reminder that packed lunches should not include any items which have nuts or cinnamon. We have children and staff who have severe allergies to these two products and we would like to ensure that they stay safe. If items are seen in lunch boxes they will be removed and returned at the end of the day. Thank you for your support.

Top Tip for engaging in your child's education

Keep a school year calendar. This is an excellent way to track all of the important dates, holidays, and events at your child's school. It is also a convenient place to document absences (who was absent, why and how you cleared it/date cleared), phone calls/conferences with school staff, and all of your other important school related information.

Dates for your diary

Event from 3.30pm at
St Martin's Primary
School.

Reception Tea on the Moon

Thank you to the Parents and Carers who were able to come to the Reception class "Tea on the Moon".

The children have worked hard writing invitations which were sent home in preparation for the day, they also made space helmets to wear.

On Friday the children were joined by their Parents to make sandwiches and food planets and then sat on blankets to enjoy their tea on the moon.

We hope that the adults
Enjoyed it as much as the
children did.

Asthma Paperwork

If you have received a letter regarding your child's asthma please complete the form and return it with the necessary medication (if we do not already have it).

Even if your child no longer suffers from Asthma, we need to know so that we can update our records.

Reception Children Health Questionnaire

We would be grateful if you could please complete and return these to Mrs Brookfield by Friday 15th February. If you have any questions regarding this, please speak to Mrs Brookfield who will be happy to assist you where possible.

How can we contact you?

We often send home letters and information which your child may put in their **book bag**. Please check them as often as you can to ensure that you, or they, are not missing out on anything.

Our class teachers often use **Class Dojo** to communicate and we have found this to be very effective. Please ask your child's teacher for help if you would like to join up.

We also use **mySchoolApp** to send out notifications – you can download the app from your phone.

Text messages are sometimes sent if we have been unable to reach you on the phone. Please make sure we have an up to date number for you so that we can contact you in an emergency or if your child has been hurt.

Save the date

We are excited to announce that there will be a Trust celebration event
To be held at St Martin's school on Tuesday 26th February 4pm to 5pm.
Refreshments served from 3.30 pm.

We will be showcasing some of the children's work and the Laurel Lane Choir will be performing.

You will also have the opportunity to meet with our Board members and Governors.
