Friday 15th March 2019 – Issue 22

Executive Head teacher – Mr C Cole

Next week is menu week 2

Head of school – Mrs S Voisey

What a fabulous day we have had today. The children were so engaged in their learning, they enjoyed the practical science experiments they were involved in and there was a buzz of excitement as the children shared what they had been doing in class.

The children made lava lamps, took apart computers, made circuits, constructed bug hotels and so much more. We also made a start with planting our gardening area, which you will see by the fence on the field. It will be exciting for the children to watch their plants grow, as well as get to taste the vegetables which they have planted. Mr Jerzynek will be taking the garden to the next stage when the children will be designing our garden, which will be constructed with the grant that Mr Jerzynek won for our school.

Thank you for your donations for Comic Relief today. We will still be accepting donations on Monday, and we will inform you next week how much we raised.

Year 2 had a really successful visit to Chiquito's in Uxbridge this week, when they were able to experience Mexican food as part of their topic work. It was a shame they didn't bring us back any churrios to share at school. Those of us left behind were very jealous.

We welcomed the Iman from a local mosque to assembly yesterday. The children learnt so much about Islam.

YEAR SIX SATS 2019

Year 6 parents will have been sent an invitation to attend a briefing meeting on 20th March at 2.45pm. This informative session will be led by Mrs Rowden and you will get to hear what you child can expect to experience during this week.

Letters were also sent to selected children, inviting them to attend booster sessions. Please encourage your children to attend.

The National Tests will take place the week of 13th May 2019. Please do not arrange any holidays, or appointments during this time. Holidays are always unauthorised, especially for Year 6 children.

Please speak to your child's class teacher, if you require any further information.

Family Dog Workshops in Harefield

Workshops for parents /carers of a child aged between 3 - 16 years old with a clinical diagnosis of autism.

Family Dog Workshops are ideal if you:

- Are at the early stages of considering getting a dog to help your autistic child
- Know that you want to get a dog and are looking for help choosing and handling a dog
- Already have a pet dog but would like training ideas and support

The series of three one day workshops use a combination of practical demonstrations, discussions, hands on learning and course hand outs.

Following the workshops, ongoing support is available to families including telephone support, online resources, and a private Facebook group.
