

Executive Head Teacher – Mr C Cole

Head Teacher - Mrs S Voisey

Safeguarding Lead – Miss A Walton

Next week is menu week 3

Welcome back to the second half of the summer term. We hope you had an enjoyable half term break, basking in the wonderful weather that we had.

As always, the last few weeks of the summer term are very busy. This week we started with our annual sports days and we are delighted to say that not a drop of rain fell! A big thank you to all of the parents and carers who were able to come along and support their children and the teams. Well done to the children for their good behaviour and their enthusiastic participation. We would also like to celebrate the brave parents for their participation in the parent races. Well done!

Next week Year 6 children will be having their intensive swimming lessons, we have our Father's day breakfast next Friday and 2HJ will be showcasing their class assembly. Look at "Dates for your Diary" on page 2 of this newsletter for information on more forthcoming events.

Getting Your Child to School Really Matters

Did You Know... ?

In a School Year, If Your Child is Late Every Day By...	Your Child Would Have Lost Approximately...	or They Would Have Missed Approximately...
5 Minutes	3.5 Days from School	20 Lessons
10 Minutes	7 Days from School	41 Lessons
15 Minutes	10 Days from School	55 Lessons
20 Minutes	14.5 Days from School	82 Lessons
30 Minutes	22 Days from School	123 Lessons

Please Encourage Punctuality to Maintain Attendance

As Parents/Carers, we are responsible for teaching our children the importance of not being late. We are concerned about the number of children arriving late into school each day. Children can sometimes be embarrassed by arriving late into class and it can also affect their learning because they have not had sufficient time to settle in before the day starts.

If you are struggling to get your child motivated into getting ready in the mornings and would like some help, please ask at the school office.

If a pupil arrives late to class but whilst the register is still open, they are marked as late (L on the attendance register). We believe that teaching students, the vital skill of reliability is important for them to achieve their full potential in school but also **to support them for the wider world where punctuality is very important for employers and further education settings.**

If a pupil arrives at school after the register has closed, without a satisfactory reason, this may be classed as an unauthorised absence (U code on the attendance register) and may lead to prosecution for not ensuring your child has regular school attendance.

Please make sure your children are inside the school by 8.40am (8.45 for Reception classes)

Pupil Absence & Appointments

If your child will be absent due to sickness, please inform us no later than 8.45am. This can be done by telephoning the school on 0844 836 2095, sending an absence text to 07908 677175 or emailing the school at attendance@fraysacademytrust.org.

If you do not receive an answer on the telephone, please leave a message stating your child's full name, class and the reason for their absence. Please advise the nature of their illness – we need more detail than just "unwell".

Please inform the school office using the above details. Please do not just inform your child's class teacher as they are very busy and may not have time to inform the office before the end of registration and this may result in you receiving an absence message.

Appointments – We understand that it can be difficult to get a G.P appointment at the best of times but please try to obtain appointments for yourself or your child outside of school hours. Being late into school or leaving early disrupts their day and can hinder their learning. We will require evidence of the appointment if it falls within the school day or the absence cannot be authorised.

Sickness – If your child has vomiting or diarrhoea, please do not send them into school. Please allow 24 hours after the vomiting has stopped before they return and 48 hours for diarrhoea. Because it can be difficult to obtain a G.P appointment, you might find that your local pharmacy (chemist) can offer help and over the counter medications that could save you from needing a doctor.

Medication in school – If your child requires medication more than 3 times a day, please bring it to the main school office to hand over the medicine and complete a permission form. Please do not give the medication to the class teacher and under no circumstances should you allow your child to bring medication to school themselves. If you are in any doubt whether they should be in school, please click on this link for more advice; <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>
