Happy Eid Al Adha

May this blessed occasion be full of happiness and joy for all.

This week we welcomed Kylie Grimes, a Great Britain para athlete, to Laurel Lane for the annual Sports for School's Day. The children had great fun completing a fitness circuit to music. Thank you to everyone who has sponsored the children. The funds raised are used by Sports For Schools to increase physical activity and to support GB Athletes to inspire the next generation. A big thank you to Kylie and her team for coming in and entertaining the children and staff.

Special celebratory news: Our lovely Mrs Inna Hryhorovych (Mrs H) was awarded an MBE in the King's Birthday Honours for her services to Education and Ukrainian Refugees – A well-deserved achievement.

Good luck to the District Sports Team taking part in the athletics competition at Uxbridge Leisure Centre next Thursday.

Getting Your Child to School Really Matters

Did You Know... ?

In a School Year, If Your Child is Late Every Day By...	Your Child Would Have Lost Approximately...	or They Would Have Missed Approximately...
5 Minutes	3.5 Days from School	20 Lessons
10 Minutes	7 Days from School	41 Lessons
15 Minutes	10 Days from School	55 Lessons
20 Minutes	14.5 Days from School	82 Lessons
30 Minutes	22 Days from School	123 Lessons

Please Encourage Punctuality to Maintain Attendance

Please make sure your children are inside the school building by 8.40am (8.45 for Reception classes)

Pupil Absence & Appointments

If your child will be absent due to sickness, please inform us no later than 8.45am. This can be done by telephoning the school on 0844 836 2095, sending an absence text to 07908 677175 or emailing the school at attendance@fraysacademytrust.org.

If you do not receive an answer on the telephone, please leave a message stating your child's full name, class and the reason for their absence. Please advise the nature of their illness – we need more detail than just "unwell".

Please inform the school office using the above details. Please do not just inform your child's class teacher as they are very busy and may not have time to inform the office before the end of registration and this may result in you receiving an absence message.

Appointments – We understand that it can be difficult to get a G.P appointment at the best of times but please try to obtain appointments for yourself or your child outside of school hours. Being late into school or leaving early disrupts their day and can hinder their learning. We will require evidence of the appointment if it falls within the school day or the absence cannot be authorised.

Sickness – If your child has vomiting or diarrhoea, please do not send them into school. Please allow 24 hours after the vomiting has stopped before they return and 48 hours for diarrhoea. Because it can be difficult to obtain a G.P appointment, you might find that your local pharmacy (chemist) can offer help and over the counter medications that could save you from needing a doctor.

Medication in school – If your child requires medication more than 3 times a day, please bring it to the main school office to hand over the medicine and complete a permission form. Please do not give the medication to the class teacher and under no circumstances should you allow your child to bring medication to school themselves. If you are in any doubt whether they should be in school, please click on this link for more advice; <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

Young Carers

Who are young carers?

A young carer is someone **under 18** who regularly helps look after someone in their family, or a friend, who is ill, disabled or misuses drugs or alcohol.

How many young carers are there?

- There are about **700,000 young carers** in the UK. (BBC 2010)
- That's about **1 in 12 secondary aged pupils**.
- There are likely to be young carers in every school and college.

*The Census identified over 200,000 young carers, but many remain hidden.

Which one is the young carer?

Young carers are just young people – with caring responsibilities! They look the same as everyone else but they can lead very different lives!

Who do young carers care for?

Young carers care for someone:

- With an illness or disability.
- With a mental health condition.
- Who misuses drugs or alcohol.

What might a young carer do?

- Practical tasks, such as cooking, housework and shopping.
- Physical care, such as helping someone out of bed.
- Emotional support.
- Personal care, such as helping someone dress.
- Managing the family budget and collecting prescriptions.
- Helping to give someone their medicine.
- Helping someone communicate.
- Looking after brothers and sisters.

Being a young carer can have a big impact on the things that are important to growing up

- It can affect a young person's health, social life and self-confidence.

- Many young carers struggle to juggle their education and caring which can cause pressure and stress.

- In a survey, 39% said that nobody in their school was aware of their caring role.

- 26% have been bullied at school because of their caring role.

- 1 in 20 miss school because of their caring role.

But young people can learn lots of useful skills by being a young carer.

The average age of a young carer

= 12

“Don't stereotype us, we are all individuals.”
Young carer

1 in 3 young carers spend between 11–20 hours each week caring.

Is your child a young carer? At Laurel Lane Primary School, the Inclusion Team would like to identify and support children who may be considered young carers and their families. If you think your child is a young carer, or you would like more information about young carers, please contact the school by phone on 01895 462 360, by email at laurellane@fraysacademytrust.org or ask to speak with Mrs Keenan.
