LAUREL LANE NEWSLETTER

Friday 6th May 2022 – Issue 27

Mayor's Fund for London School of the Year 2016

Executive Head teacher – Mr C Cole

Next week is Menu Week 1**

Head Teacher – Mrs S Voisey

We were blessed last weekend with an extra day off for the early May bank holiday Monday. To make it even better, we had some good weather. We would like to wish Eid Mubarak to all our families who were celebrating this important event.

Further to our comments regarding children being marked late on the register, we would like to clarify that this means they should be in class by 8.50am, not just on the school premises. As stated last week, by the time they have hung up their coats and got to class, it may be past registration time. This is why we have suggested that they arrive at school no later than 8.40am. Once again, we would kindly ask you to explain to your child the importance of going straight to class.

We have a quiet start to this month but from the middle of May, it is going to get busy in school with lots going on. Please see the “dates for your diary” section for further information. There are a few exciting events coming up and we wouldn't want you, or your child, to miss them.

Next week is the **Key Stage 2 SATs tests**. Please ensure your children are in on time and you have no appointments, which mean they will need to leave school early. Hopefully you were able to attend the SATs information meeting so that you are aware of what will be happening during the week. Good luck to all of the children taking part.

The weather is looking great for next week so please make sure that your child is wearing sun screen, has a water bottle and a cap to protect them.

Primary Sporting Development will be running their fun-week at St. Martins school during the half term break. Further details will be on next weeks newsletter.

**Next weeks date is missing from the Caterlink menu – it is week one

Have a lovely weekend.

Late Arrivals

64 children were late for school last week.

Being late for school disrupts the children already in class and does not give your child a good start to their school day

Please be in school by 8.40am

*If your child is absent from school, you must inform us before 8.45 am.
Please contact the school on 01895 462360 and leave a message if there is no reply. You can also email the school:*

Help With Saving Money

Recently it seems that everything has gone up in price and everyone is feeling the pinch! Please see below some apps available that may help you save money.

Every day, delicious, fresh food goes to waste at cafes, restaurants, hotels, shops and manufacturers - just because it hasn't sold in time. The Too Good To Go app lets you buy and collect this food - at a great price - so it gets eaten instead of wasted. You won't know exactly what's in your order until you pick it up - it's all part of the surprise. Download the app to get started.

What is OLIO?

OLIO connects neighbours with each other and with local businesses so surplus food can be shared, not thrown away. This could be food nearing its sell-by date in local stores, spare home-grown vegetables, bread from your baker, or the groceries in your fridge when you go away. For your convenience, OLIO can also be used for non-food household items too.

OLIO is super easy! To make an item available, simply open the app, add a photo, description, and when and where the item is available for pick-up.

To access items, simply browse the listings available near you, request whatever takes your fancy and arrange a pick-up via private messaging.

Here at OLIO we believe that small actions can lead to big change.

Collectively – one rescued cupcake, carrot or bottle of lotion at a time – we can build a more sustainable future where our most precious resources are shared, not thrown away. Join today!
