LAUREL LANE NEWSLETTER

Mayor's Fund for London School of the Year 2016

Friday 1st October 2021 – Issue 3

Executive Head teacher – Mr C Cole

Head Teacher – Mrs S Voisey

Next week is Menu week 3

Thankfully, the weather has not been as bad as expected and the children managed to get out at break times for most of this week. It is good for them to have the opportunity to run off excess energy and get some fresh air. Please make sure they have a warm coat with their name clearly marked inside, as they often take their coat off when they get hot and sometimes leave them in the playground – if it has their name inside, it can be returned.

The season for coughs and colds is upon us but we have to continue to be mindful of Covid-19 and its symptoms. If your child feels unwell, please take their temperature and be aware of the symptoms of Covid-19 before they come into school. We are continuing to practice good hand hygiene in school and the classrooms are being thoroughly cleaned at the end of each day.

Congratulations to some of the children in Year 6 who took part in the Bikeability course this week. They all passed with flying colours and were commended for their excellent behaviour by the instructors. Hopefully they will bring home their certificates very soon.

Also this week we were finally able to announce the return of the Year 6 residential trip which has been moved to July 2022 instead of "freezing February". Emails have been sent to home inviting Parents to sign up. If you would like a paper copy, please ask at the main reception.

A reminder that we now use ClassDojo and email via ParentPay to keep you up to date with what's happening in school so, if you've not yet signed up to either, please ask your child's class teacher for the details for ClassDojo and give your email address to the school office to receive emails from ParentPay

Parent Testimonial:

"Science camp has inspired my child to learn more and he adores it, which says a lot about the teaching. It was incredibly reassuring to know he was in good hands. Highly recommend it. We will definitely be back for more!"
