

Our Ofsted inspection took place on Tuesday and Wednesday this week. Thank you to all those who completed the Ofsted surveys or spoke with the Inspection Team – we appreciate your views and feedback and it was fantastic to read that 93% of parents would recommend our school. A number of children were interviewed throughout the two days and we were very proud of how they conducted themselves. We will share the outcome of the inspection, once we have received the final report.

Tempest came to Laurel Lane on Monday to take individual and sibling photographs. The majority of them were sent home today (Friday) so check your child's bag if they have not already shared them with you. Instructions for ordering the photographs can be found on the photo proof. We cannot take orders or payments in school – it is all done online via Tempest.

Thank you to the parents who were able to join us for the Phonics Workshop this week. It was great to see such a large number of parents involved. The next phase of the workshops will deepen your understanding of how we teach phonics and how you can help your child at home. Watch out in the newsletter for the next date.

Now that the summer season is drawing to an end, the mornings are colder. Please make sure your child comes to school with a warm coat. Unless it is raining, the children go out to play at break and lunchtimes to get some fresh air and play with their friends so they need a coat to wear. Please make sure all clothing has their name inside in permanent ink so that we can return it to them if they leave it somewhere.

**Change to date of Hanwell Zoo visit for Years 3&4 – the trip will now take place on Monday 17<sup>th</sup> October.**

### An important notice regarding pupil absence

If your child will be absent due to sickness, please inform us no later than 8.45am.

This can be done by telephoning the school on 01895 462360, or emailing the school at [attendance@fraysacademytrust.org](mailto:attendance@fraysacademytrust.org) or [laurellane@fraysacademytrust.org](mailto:laurellane@fraysacademytrust.org).

If you do not receive an answer on the telephone, please leave a message stating their full name and class and the reason for their absence. Please advise the nature of their illness – we need to know more detail than they are “unwell”.

Please ensure that you inform the school office using the above details, not just by informing your child’s class teacher – teachers are very busy and do not always have time to inform the office before the end of registration and this could result in you receiving an absence message.

Please try to obtain appointments for yourself or your child outside of school hours so that their day is not disrupted. We will require evidence of the appointment if it falls within the school day.

### Autumn / Winter is coming.....

If your child has **Asthma** and a preventative inhaler (Beige/ Brown/ Orange/ Red/ Purple/Pink) please make sure it is being taken regularly **EVERY DAY** even if your child is well as we are heading towards the most troublesome time of year for children with asthma.

Children diagnosed with Asthma should have one preventative inhaler in school at all times. This is kept in a box in the child's class with their name clearly marked on it and is regularly checked to make sure it is still in date.

**Please contact Mrs Knight if your child has Asthma  
but does not have an inhaler in school**
