

Executive Head Teacher – Mr C Cole

Next week is Menu Week 1

Head Teacher – Mrs S Voisey

We are almost at the end of the half term – one more week to go – and it looks to be a busy one. Next Tuesday 18<sup>th</sup> October will be your chance to speak to your child's teacher to find out what they have been learning in school so far this year and how well they have settled in. If you have not yet booked your appointment, please contact the class teacher via Class Dojo or at the end of the day. If you are unable to attend between 3.30pm and 7pm, please contact the school office to arrange a suitable time and date.

Next Tuesday, **nasal flu vaccinations** will also be taking place in school. Please be assured that the vaccination is NOT an injection, the vaccine is delivered via a nasal spray. There is no discomfort – just perhaps a tickly nose and a sneeze. The vaccination can help prevent your child developing flu which can also lead to Bronchitis and Pneumonia. It also helps to protect others who are vulnerable such as older people or babies. It is well worth considering. Further information and the portal to sign up can be found at <https://app.schoolscreener.com/Portal/#/CNWLLon/imms/cnw12/102390>  
**The deadline to sign up is by the end of Sunday 16<sup>th</sup> October 2022.**

Next week is the last week before we take a week's break for the half term holiday. PSD will be running their funweek club at St. Martins school. Please see the flyer below for more details and ways to book.

We are disappointed to report that there were **90 children late** into class last week. This is almost one third of the whole school! We cannot express enough the importance of children arriving to school with enough time for them to hang up their coats and get into class. If you could please support us, and your child, by explaining to them that they need to go straight to class when they arrive at school. If you are struggling in the mornings getting them motivated to get ready, try challenging them to be ready by a certain time. Above all, try not to have the TV on or let them play on any mobile devices. It is surprising how quickly time flies by when using them.

Attendance for the  
school year 2022-  
2023:  
94%

Lates: **90** children were late into class last week.

Being late for school disrupts the children already in class and does not give your child a good start to their school day  
**Please be in school by 8.40am**

### Pupil Absence

If your child will be absent due to sickness, please inform us no later than 8.45am.

This can be done by telephoning the school on 01895 462360, or emailing the school at [attendance@fraysacademytrust.org](mailto:attendance@fraysacademytrust.org) or [laurellane@fraysacademytrust.org](mailto:laurellane@fraysacademytrust.org).

If you do not receive an answer on the telephone, please leave a message stating their full name and class and the reason for their absence. Please advise the nature of their illness – we need to know more detail than they are “unwell”.

Please ensure that you inform the school office using the above details, not just by informing your child’s class teacher – teachers are very busy and do not always have time to inform the office before the end of registration and this could result in you receiving an absence message.

Please try to obtain appointments for yourself or your child outside of school hours so that their day is not disrupted. We will require evidence of the appointment if it falls within the school day.

### Autumn / Winter is coming.....

If your child has **Asthma** and a preventative inhaler (Beige/ Brown/ Orange/ Red/ Purple/Pink) please make sure it is being taken regularly **EVERY DAY** even if your child is well as we are heading towards the most troublesome time of year for children with asthma.

Children diagnosed with Asthma should have one preventative inhaler in school at all times. This is kept in a box in the child's class with their name clearly marked on it and is regularly checked to make sure it is still in date.

**Please contact Mrs Knight if your child has Asthma  
but does not have an inhaler in school**
